NOVEMBER 20, 2011

Let us give THANKS!

Thanksgiving has always been one of my favorite holidays. It remains the four F's..faith, family, food and football! Here's hoping that the recent encroachment by the retailers is held and pushed back! Black Friday may become Black Thanksgiving if we are not careful. Our country needs to have a "Sabbath" that remains steadfast.

By the time you read this our missionaries will be serving away in the Dominican Republic. It is the providence of God that has us away from our families and the parish on this Thanksgiving week in a way that will help us all simply be more grateful and lead to more charity.

Let us thank God in a heightened way this week not only for material things but for people, our Church and faith. I know this week I will be grateful for the poor as odd as that sounds. Being among them makes me realize how far we all have to go to see our blessings more clearly and to live for the common good and not for ourselves.

Please pray for us! Our missionaries this year are:
